ESNAGAMI RIVER OUTPOST CAMP

We are excited to offer 2 ***Outpost Camp*** locations. This lake and river system offers excellent fishing for Brook Trout and Walleye. Pike fishing is also available. Both spinning and fly fishing enthusiasts will enjoy angling from well equipped boats or wading the runs, pools and riffles.

Both locations have 2 cabins that are rustic, but comfortable, bug proof and dry. Both the bunk cabin (sleeps 4) and cook cabin (sleeps 2) have wood stoves for heating.
A gravity-fed water system will supply water to the kitchen sink as well as a heated outdoor (enclosed) shower stall. The camp is ideal for a group of 2 to 4 guests.

Packages include:
